

# Integrated Postsecondary Education Data System (IPEDS)

The National Center for Education Statistics (NCES) requires the annual reporting of data from universities nationwide. The NCES gathers and disseminates these data using the Integrated Postsecondary Education Data System (IPEDS), a web-based data collection tool.

## Reports for UNC-Chapel Hill

To access Carolina's reports for 2007-2008 and 2008-2009, use the index on the left to select a reporting year or step through each year using the page navigation below.

## Reporting Schedule

To comply with NCES requirements, The University of North Carolina at Chapel Hill reports data in the fall, winter, and spring of each year. Currently, the seasonal data collections include:

- Fall
- Institutional Characteristics
- Completions
- 12-month Enrollment components
- Winter
- Human Resources
- Spring
- Graduation Rates
- Student Financial Aid, Fall Enrollment
- University Financial Information
- Spring Supplemental Information

## More Information

To learn more on the methodology used in preparing the IPEDS reports, please contact the Office of Institutional Research and Assessment.

The NCES is the primary federal entity for collecting and analyzing data related to education and is located within the United States Department of Education. More information on IPEDS data sources and reports from peer institutions are available from the US Department of Education website at <http://nces.ed.gov/ipeds/pas>.
