Dear Dr. Cardell:

The University of North Carolina at Chapel Hill respectfully submits the attached report to the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) in response to its letter, dated November 13, 2014, requesting information relating to the University's compliance with various Principles of Accreditation.

Carolina deeply values its longstanding relationship with SACSCOC and appreciates the opportunity to answer the Commission's questions following the findings of the independent investigation conducted by Kenneth L. Wainstein of Cadwalader, Wickersham & Taft LLP and made public on October 22, 2014.

The University has the utmost confidence in its academic programs and their integrity and stands ready to answer any further questions from the Commission.

Sincerely,

Carol L. Folt
