If your institution has recently implemented any major financial aid policy, program, or initiative to make your institution more affordable to incoming students such as replacing loans with grants, or waiving costs for families below a certain income level please provide details below:

The Carolina Covenant® program - a no-loans program for qualifying low-income students (whether in-state or out-of-state) who gain admission to the University. To qualify, students must be dependent on their families and the family's adjusted gross income may not exceed 200% of the federal poverty standard, indexed by family size. In 2004, the first year of implementation, Carolina enrolled 224 Covenant Scholars. In fall 2014, Carolina enrolled 656 Covenant Scholars (504 first-year students, representing 13% of our entering first-year class plus 152 transfer students). For additional information, please see: <http://www.unc.edu/carolinacovenant/>.

**I2 Student to Faculty Ratio**

Report the Fall 2014 ratio of full-time equivalent students (full-time plus 1/3 part time) to full-time equivalent instructional faculty (full time plus 1/3 part time). In the ratio calculations, exclude both faculty and students in stand-alone graduate or professional programs such as medicine, law, veterinary, dentistry, social work, business, or public health in which faculty teach virtually only graduate-level students. Do not count undergraduate or graduate student teaching assistants as faculty.

I2	Fall 2014 Student to Faculty ratio	13 to 1	(based on		students
			and		faculty).

**I3 Undergraduate Class Size**

In the table below, please use the following definitions to report information about the size of classes and class sections offered in the Fall 2014 term.

**Class Sections:** A class section is an organized course offered for credit, identified by discipline and number, meeting at a stated time or times in a classroom or similar setting, and not a subsection such as a laboratory or discussion session. Undergraduate class sections are defined as any sections in which at least one degree-seeking undergraduate student is enrolled for credit. Exclude distance learning classes and noncredit classes and individual instruction such as dissertation or thesis research, music instruction, or one-to-one readings. Exclude students in independent study, co-operative programs, internships, foreign language taped tutor sessions, practicums, and all students in one-on-one classes. Each class section should be counted only once and should not be duplicated because of course catalog cross-listings.

**Class Subsections:** A class subsection includes any subsection of a course, such as laboratory, recitation, and discussion subsections that are supplementary in nature and are scheduled to meet separately from the lecture portion of the course. Undergraduate subsections are defined as any subsections of courses in which degree-seeking undergraduate students enrolled for credit. As above, exclude noncredit classes and individual instruction such as dissertation or thesis research, music instruction, or one-to-one readings. Each class subsection should be counted only once and should not be duplicated because of cross-listings.

Using the above definitions, please report for each of the following class-size intervals the number of class sections and class subsections offered in Fall 2014. For example, a lecture class with 800 students who met at another time in 40 separate labs with 20 students should be counted once in the "100+" column in the class section column and 40 times under the "20-29" column of the class subsections table.

**J. DEGREES CONFERRED**

**J1 Degrees conferred between July 1, 2013 and June 30, 2014**

J1 For each of the following discipline areas, provide the percentage of diplomas/certificates, associate, and bachelor's degrees awarded. To determine the percentage, use majors, not headcount (e.g., students with one degree but a double major will be represented twice). Calculate the percentage from your institution's IPEDS Completions by using the sum of 1st and 2nd majors for each CIP code as the numerator and the sum of the Grand Total by 1st Majors and the Grand Total by 2nd major as the denominator. If you prefer, you can compute the percentages using 1st majors only.

<p><b>Awarded aid:</b> The dollar amounts offered to financial aid applicants.</p>

<p><b>External scholarships and grants:</b> Scholarships and grants received from outside (private) sources that students bring with them (e.g., Kiwanis, National Merit scholarships). The institution may process paperwork to receive the dollars, but it has no role in determining the recipient or the dollar amount awarded.</p>
<p><b>Financial aid applicant:</b> Any applicant who submits <b>any one of</b> the institutionally required financial aid applications/forms, such as the FAFSA.</p>
<p><b>Indebtedness:</b> Aggregate dollar amount borrowed through any loan program (federal, state, subsidized, unsubsidized, private, etc.; excluding parent loans) while the student was enrolled at an institution. Student loans co-signed by a parent are assumed to be the responsibility of the student and <b>should</b> be included.</p>
<p><b>Institutional scholarships and grants:</b> Endowed scholarships, annual gifts and tuition funded grants for which the institution determines the recipient.</p>
<p><b>Financial need:</b> As determined by your institution using the federal methodology and/or your institution's own standards.</p>
<p><b>Need-based aid:</b> College-funded or college-administered award from institutional, state, federal, or other sources for which a student must have financial need to qualify. This includes both institutional and noninstitutional student aid (grants, jobs, and loans).</p>
<p><b>Need-based scholarship or grant aid:</b> Scholarships and grants from institutional, state, federal, or other sources for which a student must have financial need to qualify.</p>
<p><b>Need-based self-help aid:</b> Loans and jobs from institutional, state, federal, or other sources for which a student must demonstrate financial need to qualify.</p>
<p><b>Non-need-based scholarship or grant aid:</b> Scholarships and grants, gifts, or merit-based aid from institutional, state, federal, or other sources (including unrestricted funds or gifts and endowment income) awarded solely on the basis of academic achievement, merit, or any other non-need-based reason. When reporting questions H1 and H2, non-need-based aid that is used to meet need should be counted as need-based aid.</p>
<p><b>Note: Suggested order of precedence for counting non-need money as need-based:</b></p>
<p>Non-need institutional grants</p>
<p>Non-need tuition waivers</p>
<p>Non-need athletic awards</p>
<p>Non-need federal grants</p>
<p>Non-need state grants</p>
<p>Non-need outside grants</p>
<p>Non-need student loans</p>
<p>Non-need parent loans</p>
<p>Non-need work</p>
<p><b>Non-need-based self-help aid:</b> Loans and jobs from institutional, state, or other sources for which a student need not demonstrate financial need to qualify.</p>
<p><b>Work study and employment:</b> Federal and state work study aid, and any employment packaged by your institution in financial aid awards.</p>
