

**Overview**

**IPEDS Student Financial Aid Component Overview  
 Public Academic Reporters**

Welcome to the Student Financial Aid (SFA) component. The purpose of the SFA component is to collect information about financial aid provided to various groups of undergraduate students and military/veteran educational benefits for all students at your institution.

**Changes to This Year's SFA Component**

There were no changes implemented for the 2018-19 data collection period.

**Data Reporting Reminders**

**Undergraduate Student Groups**

You will be asked to report information for different groups of students.

- **Group 1:** All undergraduate students
- **Group 2:** Of Group 1, full-time, first-time degree/certificate-seeking students (FTFT)
- **Group 3:** Of Group 2, FTFT students who paid the in-state/in-district tuition rate and were awarded any grant/scholarship aid from the federal government, state/local government, or the institution
- **Group 4:** Of Group 2, FTFT students who paid the in-state/in-district tuition rate and were awarded any Title IV federal student aid

\*For public institutions, include only those students paying the in-state or in-district tuition rate. For program reporters, include only those students enrolled in the institution's largest program.

**COA Revisions**

Revisions to Cost of Attendance (COA) used to calculate the net price of attendance can be made in this component.

Consult the instructions and screens to make sure you are reporting the correct aid amounts for the correct groups of students.

**College Affordability and Transparency Lists**

Net price amounts calculated in SFA will be used to populate the U.S. Department of Education's College Affordability and Transparency lists.

**Interactive Edits and Error Messages**

SFA contains interactive edits that will check for blank fields, invalid values, or values that fall outside expected ranges. Some error messages will require you to confirm or explain the values that you entered. Some error messages are fatal and will require you to contact the IPEDS Help Desk at (877) 225-2568 for resolution.

**Context Boxes**

You will find optional text boxes throughout SFA. Context boxes allow you to provide more information about the data you enter. Some of these context boxes may be made available to the public on College Navigator, so make sure that the information you enter can be understood easily by students, parents, and the general public.

## Section 1: Comparison Chart

### Comparison Chart

Based on the information reported on the previous screens for Group 1 (all undergraduates) and Group 2 (full-time, first-time degree/certificate-seeking undergraduates), this comparison chart seeks to help institutions check their reported data. Assuming that the information on Groups 1 and 2 is correct, then the calculated fields for 'All Other Undergraduates' should be the balance (Group 1 minus Group 2). If the balance does not check with your institution's calculations, please correct your reported numbers for Groups 1 and 2 before moving forward with the completion of the SFA survey component.

**Note:** Data for the 'All Other Undergraduates' will appear in the IPEDS Data Center for data users, but not in College Navigator.
