</table>

20% of Carolina’s newest students will be the first in their families to graduate from college.

236 first-year students graduated from schools served by the Carolina College Advising Corps.

39% qualified for need-based aid.

44% of enrolling transfer students most recently attended a North Carolina Community college.

MEET MARY GRACE

At 64, Mary Grace as been an activist, mother, teacher, student, and world traveler — now she’s a Carolina student. At UNC, she plans to create her own major studying trauma and resilience.

“Because of what I’ve seen across the world, I’m really interested in adverse childhood experiences and how they affect the body itself — the ability to think and learn, and heal.”

After all her travels, Mary is staying close to home this semester and taking advantage of Carolina Away, a program that lets her take courses online and participate in small-group experiences with classmates and faculty.

582 students participated in Carolina Away

MEET LUIS
A life-changing accident left first-year student Luis Sanchez unable to regain his full ability to walk for nearly a year in high school. As he rediscovered his mobility, he also discovered a passion: biomedical engineering and its ability to help others.

Luis’ empathy and his desire to use his education to help others, mean he’ll be in good company at Carolina: 95 percent of incoming students say they want to deepen their appreciation, respect, and empathy for others.

95% of enrolling students are seeking...

to get better at leading, serving and working with people from different backgrounds.

to exchange and engage with a broad range of ideas, perspectives, and visions.

87% plan to continue their education after earning an undergraduate degree.
